ASSET ALLOCATION

FUND MANAGER CORNER

During the month of September, the fund yielded a return of 17.92% compared to NDB CRSIL index return of 18.50%. The Central Bank of Sri Lanka maintained the monetary policy rates at its meeting held on 05th October 2023, Standard Deposit Facility Rate (SDFR) and Standard Lending Facility Rate (SLFR) at 10% and 11% respectively. Consequently, the Government securities rates experienced a decline, with T Bill weighted average rates for tenors of 3, 6, and 12 months coming down to 16.10%, 14.93%, and 13.02% respectively at the auction held on 31st October 2023 with a 149-basis point drop compared to September 2023 in the 3 months T-bill. Looking ahead, it is anticipated that Government securities rates will further decrease as inflationary pressures gradually decrease and potential future policy rate cuts are expected.
